

5MW Outdoor Cabinet Distributor for Schools

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

How do I choose the best NEMA rated cabinet?

Cabinets with a 3,3R,3S,3X,3RX,3SX,4,4X NEMA standard are all properly made to withstand the outdoor elements to varying degrees. The key is to select the enclosure rating that best meets your environmental needs, and then find an appropriate enclosure with that rating.

What materials are used for outdoor enclosures & cabinets?
