

How much does a 6.6kw Solar System cost in Australia?

A good quality 6.6kW solar system typically costs between \$5,500 - \$8,000. The average price for a 6.6 kW system in Australia comes in at \$6,407. Many variables affect the price. The solar rebate differs for a 6.6kW system depending on where you live; some markets, like Sydney, are more competitive than others, which can also impact prices.

How much does a solar system cost in Adelaide?

6.6kW Solar System with Battery Price in Adelaide, SA: Adding a solar battery increases the cost to around \$10,000 to \$15,000, depending on the battery size and brand. If you want to maximize your energy savings and achieve complete energy independence, a 6.6kW solar system with battery storage is the best choice.

Are 6kW solar panels coming to Australia in 2026?

Installations of 6kW (and 6.6kW) solar power systems are a very common sight on rooftops around Australia in 2026, largely due to the ongoing plummeting cost of solar energy components, the still-generous subsidy, and feed-in tariffs. These systems may have 6kW/6.6kW of solar panels, but only a 5kW inverter - see notes on "oversizing" below.

How much does a 5kw Solar System cost?

By oversizing the panels, you can maximise energy output and overcome the efficiency losses associated with rooftop solar panels. The price of a 6.6kW system with a 5kW inverter is the same as for a 6.6kW system, expect to pay between \$5,500 - \$8,000. The cost of installing a 6.6kW system vs a 5kW system is negligible.

6kW solar systems or now more commonly seen as 6.6kW solar systems are becoming increasingly popular amongst Australian homes thanks to a number of factors, including their ...

6kW and 6.6kW solar systems are a common sight on rooftops in Australia - learn why, what a 6kW solar power system costs and other important information.

Are you looking for the best 6.6kW solar system in Adelaide, SA? With rising electricity costs, investing in a 6.6kW solar system is a smart decision to reduce your energy bills and embrace ...
