

Rapid arc flash detection and protection offer very fast and reliable interruption of an arc fault by tripping the upstream supply of energy to the faulted compartment.

Available in a wide range of ANSI ratings and configurations, our switchgear features utility-grade, welded, metal-clad assembly for reliability, safety and long service life. nVent arc-resistant ...

Human errors of personnel working on the switchgear, condensation, lack of maintenance or even small rodents and insects can trigger an arc flash. Eaton offers a comprehensive range of solutions to help ...

Find your arc flash protection relay easily amongst the 33 products from the leading brands (ABB, SIEMENS, Littelfuse, ...) on DirectIndustry, the industry specialist for your professional purchases.

Power-Zone 4 arc resistant switchgear with MasterPacT MTZ2, 3 and NW ArcBlok technology offers patented, superior arc flash protection for operators and maintenance personnel.

R& B Switchgear Group offer a specialist range of arc flash mitigation solutions for low and medium voltage switchgear, designed to prevent and mitigate incidences of arc flash, thereby helping to ...

Eaton provides arc-flash protection and advanced safety systems for low-voltage switchgear to safeguard your business and employees against unnecessary risk

Eaton Magnum DS arc-resistant low voltage switchgear protects personnel from dangerous arcing faults by containing and redirecting the arc energy, with ratings up to 100 kA for 0.5 seconds.

Our arc-resistant switchgear is designed and tested to meet ANSI / IEEE C37.20.7 standards and represents years of research, design, and manufacturing refinements by Crown's expert team of ...

The AQ 100 series of medium-voltage arc flash devices is built to meet the growing demands in MV switchgear and controlgear applications.
