

Chiffon cake does not require a rice cooker

Learn how to make soft fluffy no-bake chiffon cake without using the chiffon tube pan and oven. I love biting into pieces of goji berries inside the cake and they add nice visual contrast too.

This chiffon cake, just like the ones from your favorite Asian bakery, is incredibly soft and airy. Perfect on its own or with a bit of whipped cream and fresh fruit.

Perfect chiffon cake without an oven! All you need is an air fryer. I've tested this recipe countless times, and it's successful every time! Follow the steps and you'll be sure to succeed!

This post is going to show you how to make a jiggly (no-oven) chiffon cake. This is the lightest cake ever, tasting like a soufflé; almost.

My personal favourite chiffon cake is a pandan chiffon cake, also known as the national cake of Singapore. The texture is light, and when paired with the fragrance of pandan leaves and coconut ...

In particular, you shouldn't use a non-stick pan for chiffon cake. Why? The batter needs walls that it can cling to as it climbs up, making for a tall and fluffy cake. So what cake pans should...

With no baking powder required, the whipped meringue gives it that perfect lift. Whether you're enjoying it plain or with creative toppings, this cake is sure to become a favorite in your baking ...

Although most recipes only show you the back side of their chiffon cakes, my recipe teaches you how to make a airy and soft chiffon cake that has a perfect looking on BOTH SIDES! By ...

To bake a chiffon cake, preheat your oven to 325°F (165°C). Sift flour, sugar, baking powder, and salt. Beat egg yolks with oil and milk. Combine with dry ingredients. Fold in whipped ...

While you can try using a regular recipe for a chiffon cake in a rice cooker, it's generally recommended to use a recipe specifically designed for the rice cooker.

My personal favourite chiffon cake is a pandan chiffon cake, also known as the national cake of Singapore. The texture is light, and when paired with the fragrance of pandan leaves and ...
