

All-in-one 50kW/100kWh ESS cabinet for solar storage, backup, and peak shaving. Outdoor-rated, air-cooled, and easy to install with full EMS control.

Solar Power Lifestyle 25W Solar Panel for Camping, Hiking, Outdoor Adventures, & Emergency Prep

Shop premium solar outdoor cabinets with IP54-IP67 protection, liquid/air cooling, and 100kW-2MW capacity. Ideal for industrial, commercial & utility-scale energy storage systems.

We are a factory specialising in the field of solar inverter and solar energy storage system. With advanced intelligent production lines and an experienced production team.

A: Outdoor integrated cabinets usually have a high protection level, such as IP54, IP65, etc. This means they can be dust - proof and water - proof, and are suitable for various harsh outdoor environments.

The solar controller adopts IGBT module design, PWM algorithm, stable and reliable charging efficiency, and can be linked with the BMS system to strengthen the protection of the battery.

This guide provides step-by-step instructions on how to install your R-BOX-OC outdoor solar battery cabinet, including site selection, assembly, wiring, and system testing. [pdf]

The Outdoor Cabinet Energy Storage System is a fully integrated solution that combines safe battery storage, intelligent power management, and weatherproof protection for solar and telecom applications.

Our 200KWh Outdoor Cabinets energy storage system is built with IP54 protection, ensuring it can withstand harsh weather, from scorching sun to torrential rain.
