

A Suntech Power announced that his Planeta Rica photovoltaic plant, of 26,7 MW, located in Colombia, was connected to the electrical network. The project is a joint venture with Dutch developer MPC ...

Encuentra el panel solar bifacial Trina Solar Vertex N de 625W en Energ&#237;a Solar Colombia. Alta eficiencia de 23.1% y 30 a&#241;os de garant&#237;a de potencia. &#161;Maximiza tu generaci&#243;n de energ&#237;a!

Sunny Future offers bifacial panels which capture light from both the front and back perfect for reflective surfaces like concrete, gravel or even metal. This means higher energy production for the same space.

Colombian public utility Empresas P&#250;blicas de Medell&#237;n (EPM) has reached commercial operation at a 83MW solar PV plant. Located in the central department of Caldas, nearly 200,000 bifacial...

Socolco will be responsible for the construction of the plant developed by the Spanish-Canadian firm AAGES, which will have Spanish followers, and will market its energy through direct contracts.

The project serves the National Interconnected System (SIN) with 199,534 bifacial solar panels ranging from 540 W to 550 W, supported by 29,000 metal structures with solar trackers. EPM,...

In conventional installations, such as fixed-tilt equator-facing solar panels or panels mounted on solar trackers, bifacial solar cells allow additional energy production due to more effective use of albedo irradiation.

Bifacial solar panels represent one of the most significant advances in photovoltaic technology. These innovative modules capture sunlight from both sides, potentially boosting energy production by 10 ...

When considering the switch to bifacial solar panels, it's crucial to weigh their pros and cons. Here's a succinct breakdown to help you quickly discern the potential benefits and drawbacks.

Market Forecast By Panel Type (Monocrystalline, Polycrystalline), By Application (Utility-Scale, Residential), By Technology (Passivated Emitter, Heterojunction), By Installation Type (Ground-Mounted, Rooftop), By ...
