

Constant Temperature and Humidity Type Power Storage Cabinet for Spain Airport

It is suitable for applications where the heat generated by the equipment inside the cabinet is large, the internal equipment is sensitive to the ambient temperature, and the inside and outside need to be ...

Our Constant Climate Cabinet (Desk-top Temperature & Humidity Chamber), which supports temperature and humidity tests in laboratories and research rooms using a network.

At Kardex, we recognize the critical challenges of managing temperature-sensitive goods. With extensive experience in the pharmaceutical, chemicals, and electronics industries, we provide ...

The SIMN XHH Series represents the pinnacle of precision environmental control technology, combining advanced temperature regulation with intelligent humidity management in a compact cabinet design.

The cabinet is designed specifically to protect it from human damage, water, dust and other damages. The cabinet allows natural wind cooling through filtered vents on front door and under lip of rain hood

The temperature and humidity controlled cabinet range supplied by Blundell is designed to ensure that a constant temperature is maintained, and the relative humidity is kept between 1% - 5%.

Our climate controlled storage cabinets deliver stable temperature and humidity, so rubber, polymer, and composite materials age slower, inspections pass more often, and field crews stay ready.

Designed to meet the demanding requirements for precise humidity and stability, Advanced engineered design incorporates the latest in cabinet, refrigeration, temperature control and monitoring features.

It provides long-lasting moisture absorption and can continue to absorb moisture for up to 24 hours during a power outage. It complies with CE safety standards and features temperature and humidity ...

Temperature and humidity control system: 7-inch touch screen, the system has the functions of temperature control, humidity control, timing and over-temperature and over-humidity alarm; It is ...
