

Our overseas warehouse in Dubai not only serves the UAE itself but also covers countries such as Saudi Arabia, Oman, Kuwait and Qatar, helping customers deploy energy storage projects at the fastest speed.

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...

We are experts in the design and installation of solar panels, battery storage and electric car charging systems and have a proven track record for delivering green energy results for businesses looking for bespoke low ...

This article explores how wholesale energy storage solutions empower factories, oil refineries, and construction giants across the Emirates while aligning with national climate goals.

This battery system consists of PCS, outdoor cabinet, battery racks and BMS, every cabinet integrates with intelligent HVAC inside. And this system has big advantages on safety, cycle life, energy ...

This initiative boasts a 250kW lithium-ion battery energy storage system located in Al Khawaneej, Dubai 3. Such projects are not just technical marvels but also symbols of the UAE's ...

Compact and light compared with traditional alternatives, these cutting-edge energy storage systems are ideal for applications with a high energy demand and variable load profiles, accounting for both low loads and peaks.

Compact wall-mounted units designed for homes, available in 48V/51.2V with 2.5kWh, 5kWh, or 10kWh capacities, offering safe and efficient energy backup. Flexible, stackable packs for residential or small ...

This 250kW all-in-one containerized energy storage system integrates lithium batteries, inverter, and smart energy management in a 20FT container for easy installation, transportation, and stable operation.

Designed to support the energy demands of a fast-paced urban environment, this station provides a swift recharge for electric vehicles, ensuring that professionals are powered for their next journey.
