

Price of the Emgrand GS ranges from 77,800 yuan to 108,800 yuan. Engines are a 1.3-litre turbo producing 130 horsepower (97 kW; 132 PS) and 185 N·m (136 lb·ft; 19 kg·m) of torque, and a 1.8 ...

This solar charging system helps get you off the grid with 550-watt flexible solar panels that provide DC power to charge your RV's batteries. Panels flex to fit on various surfaces.

The successor of the Geely Emgrand GS is essentially an extensive facelift of the model, and was launched for the 2021 model year called the Emgrand S. The Emgrand S features completely redesigned front, rear, and side and features tail lamps and a floating roof in the same style as the Geometry C. The redesigned model now measures 4,430 mm (174.4 in) long, which is 10 mm (0.4 in) shorter than the Emgra...

The third-generation model uses the same platform that underpins the first and second-generation models. The update features a revised front and a completely redesigned rear end.

Currently, the Emgrand GS is not available in North America or Western Europe. Geely does not sell vehicles directly in the United States or Canada, meaning U.S. consumers cannot ...

Geely officially launched its 5th-generation Emgrand, introducing an upgraded model with a more powerful engine, enhanced dimensions, and the integration of the Flyme Auto intelligent ...

Solar panels, also known as photovoltaics, capture energy from sunlight, while solar thermal systems use the heat from solar radiation for heating, cooling, and large-scale electrical generation.

Fast forward to today and the "new" Geely Emgrand has been fully revealed. Not only are there more details shared, but we also get to see the updated interior for the first time.

Geely has confirmed that the all-new 5th-generation Emgrand will begin pre-sale on November 5, with deliveries expected immediately upon launch. The new model is built on the BMA ...

This is the 2025 Geely Emgrand, and yes it has received some changes both inside and out. Let's start with the not-so-noticeable updates first.
