

Group purchase price for IP67 communication power supply cabinets for power plants

What is an IP67 power supply?

Phoenix Contact's IP67 power supplies give engineers flexibility to design applications to meet their specific needs by replacing power supplies located in large, centralized control cabinets with power supplies mounted directly on the machine.

What are the benefits of a trio IP67 power supply?

The TRIO IP67 power supplies reduce or eliminate the need for a separate control enclosure which reduces overall system cost. Mounting the IP67 power supply on or closer to where power is needed reduces cable length and voltage drop that can occur with longer cables.

What is an IP67 polycarbonate enclosure?
