

Are outdoor solar lights weather-resistant?

Since most outdoor solar lights are left out year-round, it's important to consider if they're weather-resistant. Most are designed with materials that can withstand inclement weather, such as freezing or high temperatures, rain, and direct sunlight. All of the lights we tested passed our weather tests.

Are solar-powered outdoor lights waterproof?

Because they are designed for outdoor use, most solar-powered outdoor lights offer decent water and weather resistance. The level of resistance varies from light to light; pay close attention to each model's weather resistance rating.
