

Longi introduces 665 W HPBC photovoltaic modules The Chinese PV manufacturer said its new module series has a power conversion efficiency of up to 24.8% and ...

To query the authenticity of LONGi PV module, please enter the product barcode, which is a string of numbers on the front or back of the module.

The digital string code is behind the component board, as shown in the figure.

Locate all of LONGi's downloads, from product specs to warranties, in their library below.

The first principle of ensuring the authenticity of Longi solar panels is that the product should be bought from an authorized dealer or distributor of Longi solar panels.

You can easily find the serial number of a LONGi PV module on the label at the back of the panel. LONGi prints a barcode and alphanumeric code that represents the serial number - it's ...
