

The intelligent air cooling system in the HighJoule 100KWh Outdoor Cabinet Series ensures optimal thermal management, maintaining battery efficiency and longevity. It adapts to varying environmental ...

100KWh LFP/SSB 3.2V/280Ah battery with over 8000 cycles at 70% DOD, ensuring stable long-term energy supply for commercial and industrial needs. IP54 protection + C4/C5 anti-corrosion grade, ...

Integrated PV and storage system with super wide PV input voltage; Small footprint and IP54 protecting grade for outdoor installation. Safe & Reliable High-performance battery cell, meet IEC/UL/GB ...

Patented outdoor cabinet protection design, optimized heat dissipation air duct, and protection against sand, dust, and rain; The front and rear sides are open for maintenance, which is convenient for the ...

power module, battery, refrigeration, fire protection, dynamic environment monitoring and energy management in one. It is suitable for microgrid scenarios such as small-scale commercial and industrial ...

Enhance your energy storage capabilities with our 100kW/215kWh outdoor cabinet energy storage system. This robust system boasts a rated capacity of 215kWh and a rated voltage of 768V, with a ...

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

The modular PCS design allows for easy maintenance and expansion. The outdoor cabinet features front maintenance to minimize the occupied area and maintenance access. It offers safe and reliable ...

All-in-One Integration 100KW/215KWh Outdoor Liquid-cooling Battery Energy Storage Cabinet Individual pricing for large scale projects and wholesale demands is available.

100kWh Battery, 280Ah LiFePO4 Battery, Air-cooling Energy Storage Cabinet, EV Charging Solutions.
