

Vi er en kompetent partner i alle faser af en produkts livcyklus: fra ide, design, prototype, volumenproduktion, produktionsmodning og udfasning med service og reparation. Vi har egen...

Find and discover Circuit Breaker manufacturers and suppliers for all products in Denmark, featuring details on their shipment activities, trade volumes, trading partners, and more.

Mini MCB is suitable for protection on per point basis. This is a compact & aesthetically designed protection device which provides protection against Overload & Short Circuit. Common applications are in Air ...

From circuit breakers and isolating switches to enclosures, panel boards, and switchboards, we offer a full range of safe, reliable solutions for low-voltage electrical distribution applications.

En alsidig global str&#248;mstyringsvirksomhed, der med teknologisk suver&#230;nitet er f&#248;rende inden for elektriske systemer til str&#248;mkvalitet, -distribution og -kontrol, hydraulikkomponenter, -systemer og -tjenester til ...

Micro Technic er en dansk elektronikproducent, der siden 1977 har produceret og udviklet industriel elektronik til danske og udenlandske kunder. Vi har tre forretningsomr&#229;der, som skaber v&#230;rdi for vore kunder og ...

Click on the buttons below to contact E-T-A directly. E-T-A offers DIN rail and rack mount power systems plus thermal, magnetic, high-performance, and electronic circuit breakers for reliable protection.

We offer both development and production, Micro Technic and can be your all-in-one solution placed under one roof. This allows us to go from prototype to full-scale production seamlessly.

The KZS-1MS is one of the first electromechanical (voltage-independent) residual current circuit breakers with overcurrent protection (RCBO) on the EN/IEC market available in only one modular width.

Our circuit breakers are manufactured from high-quality materials in well-equipped production facilities so you can count on them to provide the highest possible degree of reliability. Our range of circuit breakers ...
