

This portable power station is ready to use right out of the box. Perfect for charging smartphones, tablets, fish finders, two-way radios, portable 12V fridges and many other small 12V devices.

Ideal for charging smartphones, tablets, radios and operating DC powered electronics. When the grid fails or you are off-grid, the PWRbox is always ready to go. Proudly made in the USA.

Breaking away from traditional product design logic, with a built-in ultra large capacity battery, freeing itself from the constraints of power cords, making it possible to use it externally.
