

Industrial-grade energy storage cabinets, outdoor cabinets and telecom cabinets with IP65/IP66 protection, thermal management and corrosion resistance for harsh environmental ...

Supplier of Corrosion-Resistant Modular Battery Cabinets for Photovoltaic Energy Storage Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion ...

South African manufacturer of microgrid energy management cabinets, data center edge computing cabinets, off-grid energy cabinets, mining explosion-proof battery cabinets, and mobile ...

At SustainGroup, we design and deliver containerised off-grid Solar and Battery Energy Storage Systems (BESS) that are built to perform where others fail. Our off-grid solutions are engineered for ...

Our certified engineering team provides comprehensive technical support for all installed photovoltaic storage and BESS systems.

Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid applications.

South Africa leads with 65% market share in the SADC region, driven by REIPPPP (Renewable Energy Independent Power Producer Procurement Programme) and corporate PPAs that have reduced ...

We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services..

With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids.

SOLAR PRO.
