

Who is Tongwei new energy?

Focusing on the full investment process services of PV terminals, including investment and development, planning and design, and intelligent operation and maintenance, Tongwei New Energy has formed an innovative "Fishery & PV Integration" development model enabling "electricity generation above water and aquaculture in water".

What makes Tongwei a leader in the PV industry?

This impressive rise has its roots in Tongwei's approach to manufacturing, which values resilience and quality above all. The company has established four major module production bases in Hefei, Jintang, Nantong and Yancheng, the largest single-site module base in the global PV industry.

What is Tongwei solar module?

It is the first module project invested and constructed by Tongwei Co., Ltd. in Jiangsu and is currently the module base with the largest single-line capacity in the global PV industry, leading the industry in terms of digitalization, intelligence, and automation.

Where is Tongwei solar energy located?

Currently, Tongwei Solar Energy operates subsidiaries in Chengdu, Meishan, Jintang, Tonghe, Pengshan, and Zhongwei, with an annual production capacity exceeding 150GW.

World's Largest Crystalline Silicon Solar Cell Producer The PV power plants dominated by the "Integration of PV and Fishery" model have 4.07GW capacity High-purity Crystalline Silicon ...

Latest Insights "Tongwei Solar Photovoltaic Power Generation Agent" Resource Download We proudly serve a global community of customers, with a strong presence in over 20 countries ...

Insufficient Winter Sunlight? Tongwei TNC 2.0 Modules Still Deliver Excellent Power Generation Can photovoltaic modules still generate p...

Tongwei started solar cells and modules business in 2013. Tongwei established the high-efficiency module R& D Department and started researching in relevant technical region in 2016. After ...

Focusing on the full investment process services of PV terminals, including investment and development, planning and design, and intelligent operation and maintenance, Tongwei New Energy ...

High-purity Crystalline Silicon Tel: 0833-3155118 Solar Cell Email: sale02@tongwei Module Domestic Business: 400-0566888 Domestic After-sales: twcustomerservice01@tongwei ...

Based on the "5G+" digital management model, it is equipped with the most advanced production processes and equipment in the industry, and adopts Tongwei TNC and other technical routes to ...

Project Development Consulting Provide efficient and systematic PV power generation project development consulting, design and installation, system debugging and sales services.

Over the past three years, Tongwei has made a remarkable leap in the solar sector, shipping over 100GW of modules at record-breaking speed.
