Vivint Solar, founded in 2011, specializes in residential solar energy solutions. The company offers solar panel installations, battery storage, and energy management services.

Who is Vivint energy?

Vivint Energy is a leading Smart Energy Company, Get Smart Energy today that could save you money.

Does Vivint offer a solar lease?

One of the upsides of Vivint and its parent company, SunRun, is that they make solar super accessible to a wide range of customers. Although the solar leases they push on customers aren't as beneficial as other options, they require no down payment and often no credit check and they provide instant energy savings in most cases.
