

Solar Pro is a leading innovator in portable solar power solutions, specializing in Foldable PV Container systems. We design and manufacture compact, robust, and rapidly deployable photovoltaic units ...

The West Africa Container Terminal (WACT) has signed a significant Solar Lease Agreement with Starsight Energy, to provide an expected 1.2-Gigawatt hours of solar electricity each year over ...

We design and manufacture award-winning portable power systems, combining advanced foldable solar panels and high-performance power stations to keep you powered anywhere, anytime. The ...

SOLAR POWER provides cutting-edge foldable solar containers and high-performance energy storage batteries, enabling businesses and homeowners to optimize renewable energy usage with flexible, ...

With our solar container we focus on solar energy, a sustainable and at the same time the most logical energy source in Africa. We have developed two different containerized systems: our mobile ...

Traditional diesel generators cough up smoke - literally and figuratively - while mobile solar power containers sit quietly converting sunlight into reliable electricity. These 20/40ft steel boxes packed ...

Good Stays provides reliable, plug-and-play power with our innovative foldable solar containers. Designed for remote Africa, our portable units power mining camps, telecom towers, agricultural ...

From remote mining camps and agricultural irrigation to disaster response and rural electrification, Solar Pro delivers reliable, sustainable power solutions that prioritize performance, durability, and ...

Operating out of Johannesburg, IBC Solar is a German-based company with a strong presence in South Africa. It offers a wide range of solar products, including PV modules, inverters, and batteries.

We provide portable power solutions, collapsible energy storage, and mobile solar units for emergency, off-grid, and industrial applications across African markets.
